

Income Tax - Copy of Refund Check

How can I obtain a copy of my income tax refund check?

To obtain a copy of an income tax refund that you already cashed, complete the [Request for Copy \(Form DR 5714\)](#). You must specify that you need a copy of the cashed refund check and include the year and amount of the refund.

Please note that there is no way to obtain a copy of an income tax refund that was deposited directly into a bank account.
